

The 25th Workshop on Topological Graph Theory in Yokohama (TGT25)

DATE: 18–22, November 2013

PLACE: Yokohama National University, Education and Cultural Hall
http://www.ynu.ac.jp/english/access/map_campus.html

WEB: <http://tgt.ynu.ac.jp/tgt25/>

Organizing Committee:

Seiya Negami (Yokohama National University)
Atsuhiro Nakamoto (Yokohama National University)
Katsuhiro Ota (Keio University)
Yusuke Suzuki (Niigata University)
Jun Fujisawa (Keio University)
Kenta Ozeki (National Institute of Informatics)

*We have no financial support for participants, and no proceeding for the workshop.

What is TGT: Topological Graph Theory is one of the most interesting research areas in graph theory, related to Four Color Theorem, a celebrated theorem in the 20th century mathematics. Seiya Negami is a pioneer of the research area in Japan, and started a workshop on topological graph theory at Yokohama National University in 1989, which was a small meeting with only five or six speakers. This was the 1st Workshop on Topological Graph Theory (TGT), and the origin of the long standing academic event in our university.

From 1989 to 2012, we have continued to organize TGT annually. They are almost domestic and many students presented their results there, but we had two memorial ones as international conference, which were the 10th in 1998 and 20th in 2008.

This year, we will have the 25th. So celebrating its continuation during a quarter century, we will have the memorial international workshop with six plenary speakers.

Plenary speakers:

Joan Hutchinson (Macalester College, USA)
Ken-ichi Kawarabayashi (National Institute of Informatics, Japan)
Alberto Márquez (Universidad de Sevilla, Spain)
Bojan Mohar (Simon Fraser University, Canada)
Josef Širáň (The Open University, UK)
Martin Škoviera (Comenius University, Slovakia)

Registration and submission: Every participant should make a registration. The registration fee is 5,000yen for professors, and 3000yen for others including students and people retired. (The fee is for the workshop materials and coffee break, and should be paid at the conference desk during the workshop.)

Please use the following registration form and send it to Nakamoto(nakamoto AT ynu.ac.jp):
